CHRISTMAS MESSAGE FROM FR PAUL

Merry Christmas! The Year 2018 is nearly over. We are again to celebrate Christmas this year. Every year we celebrate the Birthday of Jesus. The celebration reminds us that God hasn't forgotten us. The good news is that God loved us first and he sent His only begotten Son to encounter us and heal us from all our afflictions. Jesus's birth two thousand years ago is the reason for the happy season. May the festive season bring us true Joy and Peace. May the birth

of Christ bring us true freedom. May the year 2019 be a blessed one and help us to experience ultimate happiness. I wish all parishioners good health and permanent peace. Happy Christmas. *Fr Paul.*

There is a great deal of information on this important event in the life of the Australian Church. There is also an opportunity to have your say. Please take part; our Australian Bishops love to hear from everyone. *Fr Paul.*

JOB WELL DONE TO ALL... The Saint Vincent de Paul Hilton Conference and the fortunate people who received a hamper this year, would like to thank the teachers and students from Seton College and OLMC Primary School who supplied the magnificent hampers, and to the parishioners and friends who helped our members deliver them. Many touching stories have been passed back from the different groups delivering the hampers which included gratitude, tears, and their stories of hardship. Our Conference visited more than two hundred households over the last six months, all of which were all included on this years hamper list. The generous number of large hampers received from both schools tallied 56 and were supported by another 28 smaller hampers put together by our group, totalling 84 all up. The groups delivering hampers this year were given the names of twice the number of families than hampers, and had to choose which families received them. In truth, this imbalance catered for the transient nature of people today, for many families had moved on and the houses were either empty or had new occupants. One group delivering hampers actually ran out of names with a hamper

remaining - it didn't go to waste. In the end, our limited resources are never going to cater for 100% of the needy families in the area, but by achieving 40% this year must be seen as a success. Again, thank you to all involved, and have a Merry Christmas... *Ian Digney - President - OLMC Conference - Hilton - Saint Vincent de Paul Society.*
