Lead your Church into a hope-filled future, that we may live the joy of the Gospel. Through Jesus Christ our Lord, bread for the journey from age to age. *Amen*.

PLENARY COUNCIL 2020 - CALL FOR DELEGATE NOMINATIONS:

Perth Archbishop Timothy Costelloe SDB is now seeking nominations from **laypeople, members of religious orders and clergy**

from the Archdiocese of Perth who are willing to be called as delegates for the Plenary Council Sessions in October 2020 and June/July 2021. This is an historically significant opportunity for open-hearted, faith-filled people who are committed to the faith, life and ministries of the Catholic Church in Australia and the mission of God. The role will involve prayer, reflection, discernment, formation and an understanding of Plenary Council protocols. As a delegate, you will collaborate with other delegates, participate in the process of communal discernment and actively contribute to activities before, during and after the Plenary Council Sessions of approximately one week in October 2020 and one week in Sydney in June/July 2021. In addition, there will be time required for formation and preparation as well as time required to read the Plenary Council Session papers and documents. Ideally, delegates will have experience in:

- communal discernment or shared decision making;
- working co-operatively in different situations; and
- with the pastoral life of the church.

To be considered for this role, expressions of interest must be submitted on the form provided for this purpose. Applications that do not include all of the above will not be considered. Also, due to the tight time frames for the Plenary Council process, late applications will not be considered. Aboriginal or Torres Strait Islander people, young people, people with disabilities and people from culturally and linguistically diverse backgrounds are strongly encouraged to apply. **You can download a full Role Description, Expression of Interest Form and other information at www.perthcatholic.org.au.** The Australian Catholic Bishops Conference supports equal opportunity in its activities and promotes and supports a family friendly workplace. The successful applicants may be required to provide a Working with Children Check or a suitable Police Check as part of the recruitment process. **KEY DATES:**

- 24/01/20 - Shortlist Interviewees.

POPE FRANCIS: Pope on Feast of Mary, Mother of God: The dignity and gifts of women. Pope Francis presides over Holy Mass in St Peter's Basilica on the first day of the year, celebrating the

Feast of Mary, Mother of God, and marking the 53rd World Day of Peace. By Vatican News. Pope Francis' first homily of the year was dedicated to the figure of Mary, on the day the Church celebrates her as Mother of God. Mary was declared Mother of God at the Council of Ephesus in 431, and it was Pope Saint Paul VI who restored this solemnity to January 1st in 1974. **Women as sources of life.** "On the first day of the year", began Pope Francis, we celebrate a "nuptial union between God and humanity", one that was inaugurated "in the womb of a woman". "The rebirth of humanity began from a woman", continued the Pope: "Women are sources of life". **Born of a woman.** That is why "every form of violence inflicted upon a woman is a blasphemy against God, who was born of a woman", said Pope Francis. "How often are women's bodies sacrificed on the profane altars of advertising, profiteering, and pornography, exploited like a canvas to be used". "Women's bodies must be freed from consumerism", he said. "They must be respected and honoured". **Keeping in her heart.** Pope Francis noted how the Gospel repeats the image of Mary "keeping all things in her heart". "Women typically take life to heart", said the Pope. "Women show us that the meaning of life is not found in making things but in taking things to heart. Only those who see with the heart see things properly, because they know how to 'look into' each person". **Seeing with the heart.** At the start of this New Year, Pope Francis challenged us to ask if we know "how to see with the heart". Only if we take life to heart, he said, "will we know how to take care and overcome the indifference all around". "If we want a better world, a world that will be a peaceful home and not a war field, may we take to

heart the dignity of each woman". **Women as mediators of peace.** The Church celebrates January 1st as the 53rd World Day of Peace, a tradition begun by Pope Saint Paul VI in 1968. "Women are givers and mediators of peace", said Pope Francis in his homily, adding that they should be "fully included in decision-making processes". When women can share their gifts, said the Pope, "the world finds itself more united, more peaceful. Hence, every step forward for women is a step forward for humanity as a whole". **Mary as woman and mother.** It was Mary, said Pope Francis, who began "the revolution of tenderness" - something the Church is called to continue: "For she too, like Mary, is both woman and mother". In drawing close to Mary, "the Church discovers herself, she finds her centre and her unity", said the Pope, "Because the Church has a mother's heart". Pope Francis concluded asking Mary "to give birth to hope within us and bring us unity. Woman of salvation, to you we entrust this year", said the Pope. "Keep it in your heart".
